## Organization Requirements

We are so happy that you are partnering with Bushels of Blessings. We provide to your organization fresh vegetables and fruits at no cost for the distribution to those households who have food instability. It is our commitment to serve our communities by delivering nutrient dense fresh produce to those in need.

With such rapid growth presents some challenges and as a result they have caused us to define some areas that need to be addressed, they are as follows:

- 1) A copy of your EIN or STS form in order to qualify for Partnering Organization Status.
- 2) A minimum requirement for volunteering is 30 hrs. each season for each organization. This can be met in a variety of ways; we will help you find the best plan and fit for your organization.
- 3) We will track your hours and notify you at the end of each month how many hours you have completed.
- 4) We are under agreement with the farmers who freely give the produce to Bushels of Blessings and its partnering organizations, that no one will ever under any circumstances accept payment for such produce.
- 5) Retail establishments such as restaurants, cafes, etc. cannot be given this produce as these are "for profit" organizations.
