

## Distribution Information Sheet

1. Coralea Layton's Phone Number: 856-371-4431
2. Pickup will be on Tuesday and Friday mornings from 8:30am-11:30am.
3. If you are not able to do your pickup that day, call by 9:00am so the veggies can be given to another organization.
4. Bring your own containers.
5. Have someone with you that can pick up and load the veggies for you.
6. Due to construction in the church fellowship hall, pick up will be at the far end glass doors in the big parking lot. Looking at the church it is the end doors to the left. Since the area is smaller, and social distancing, someone will bring the baskets out to you and you can transfer them to your containers.
